

December 2022

Dear Friends of the Library,

The Colonie Library has consistently been voted as the Capital Region's pick for **Best Library**. We polled patrons and found that many of you are thankful for the **free access** to books, ebooks, videos, music, magazines, and newspapers. Others noted the library's convenient location and the attractive and spacious renovations. The quiet spaces, work stations, children's play areas, and friendly staff all drew praise. I couldn't agree more!

With your help, this year the Friends were able to provide the library with funding for special book collections, supplies for programming, and other materials for staff. *Check out our December newsletter to find out what we have been up to this year.*

In 2023 the Friends will help fund the construction of a vibrant and welcoming new entrance to the children's library area.

The Friends of the Library's goal is to help our library provide the best possible services for the community by raising funds to supplement the town's allocated budget.

As a donor, you fill an important role as a link from the library to the greater community.

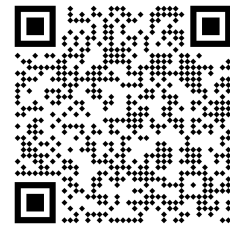

You can donate online at <https://wksfriends.square.site>, scan the QR code below with your phone/tablet, or send a check payable to "Friends of the WKS Town Library".

Thank you in advance for your thoughtfulness and support.

Respectfully,
