The TRIO Educational Opportunity Centers (EOC) Program provides college admissions information, financial aid information, and financial literacy to qualified adults who want to start or continue their college studies.

Who is Eligible?

Capital Region adults are eligible for the EOC Program if they meet the following requirements:

- At least 19 years old
- U.S. citizen or permanent resident status
- Income eligible, based on federal income guidelines or
- First-generation to college
- Desire to enroll, reenroll, or are enrolled in college (associate or bachelor's degree), and requests information or assistance in applying for admission to, or financial aid for, such a program

The EOC Program at the University at Albany is a federally funded five-year grant through the U.S. Department of Education with an annual budget of \$232,050 to support 850 eligible adults.

What Services Do We Offer?

- Guidance on secondary school reentry to a General Educational Development (GED) program
